

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

REQUEST OF INDIANA UTILITIES)	
CORPORATION FOR DEVIATION FROM)	CASE NO.
807 KAR 5:022, SECTION 13(17) (G) (4))	2011-00213

INITIAL INFORMATION REQUEST OF COMMISSION STAFF
TO INDIANA UTILITIES CORPORATION

Indiana Utilities Corporation ("Indiana Utilities"), pursuant to 807 KAR 5:001, is to file with the Commission the original and five copies of the following information, with a copy to all parties of record. The information requested herein is due within 14 days of the date of this request. Responses to information requests shall be appropriately indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Indiana Utilities shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

Indiana Utilities refuses to furnish all or part of the requested information, Indiana Utilities shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. Provide an analysis of the amount of savings achieved in terms of time and costs by conducting monthly odorant samplings versus weekly odorant samplings.
2. Does Indiana Utilities currently conduct weekly odorant samplings for the portion of the system located in Kentucky? If yes, provide copies of the weekly odorant samplings for the period of January 1, 2011 through June 30, 2011. If no, explain why.
3. How often are Indiana Utilities' personnel in Kentucky performing operation and maintenance, or other activities, on this portion of the system?
4. How often is the odorator calibrated? Is the calibration performed by Indiana Utilities, the manufacturer, or another entity? Provide documentation of the previous two calibrations.
5. Provide current map(s) of the entire system and, for the portion of the system located in Kentucky, identify any high-consequence areas, as well as any schools, hospitals, and nursing home facilities located along the pipeline.

6. Provide a copy of Indiana Utilities' current Operations and Maintenance Manual.
